# Vin Deca - Take My Hand

Oh Master  
I'm coming out of the boat  
Would you gimme your Hand  
I like to walk on water  
Oh Master  
You could help me hold me  
I'm really really liking what I see  
But I don't wanna drown no

Tell me to come  
I know that I stand on Holy Ground  
I've taken off my shoes  
I am reserved  
And I like it  
Open me the door  
I just wanna make that holy sound  
The one that you sing  
When come around

He's like eh yi ye eh eh  
Take my hand  
I hung on a plank on a hill for you  
Giving you a hand is nothing for me  
He's like eh yi ye eh eh  
Take my hand  
I'll never never leave you alone  
Remember to keep your eyes on me

Oh Master  
I'm coming out of the box  
I'm so tired of being the same  
Everyone is trying to be the same  
Oh Master  
I know the price is high  
They gonna take me or reject  
But I don't really care  
I'll be walking on air
