

Vin Deca – Congosa

It may be fine with you
It is something you regularly do
So to you
A little bit of gossip never kills
I have a different view
And I sure know a thing about words
So to me
A little bit of gossip can kill

If it no di build yi
If yi no do help
Stop am
Na Congosa
Oh na Congosa
Na just I hear say
I hear er say
If i no di fix yi
If yi no di fine weti you talk
Na Congosa
Oh na Congosa
Na just I hear say
I hear say

Words have a magnitude
When crude
Deadlier than a weapon
I have seen them kill
Quicker than a pill
I assure you
I've seen a thing or two
I've seen words cut deeper than a knife
So to me
A little bit of gossip sure can kill
