

# Vin Deca – I'm Awake

No one will tell me how  
Who can tell me how  
I should deal with it  
You wanna know how I do it  
I'm Sorry it wont be what you think  
No one will tell me why  
Who can tell me why  
No one tells me how  
You wanna know how I do it  
This is how  
This is how

I feel the fear  
But I do it anyway  
And only get higher  
I don't listen to liars  
I feel the fear  
But I keep on keeping on  
And only get higher  
I don't listen to liars

I am upbeat when I get beat up  
To the downbeat I jolly jolly stand up  
Tell the devil he should go to bed  
Coz I'm awake  
I'm awake oh  
I am upbeat when I get beat up  
To the downbeat I jolly jolly stand up  
Tell the devil he should go to sleep  
Coz I'm awake  
I'm awake oh

When you get to go you'll be trembling  
You'll trembling's nothing new  
I still feel the fear just like I told you  
And it's nearly everyday  
When the evil one comes to blind you  
I'll be on my knees for you  
If the father says that you will do it  
Oh do it  
Oh do it

Waiting till it is Sunshine  
Waiting till you feel alright  
Waiting till it is all green  
You'll be late  
You'll be late  
Waiting till it is ok  
Till everyone says that its fine  
Waiting till everything lines up  
You'll be late  
You'll be late  
Sorry
